

Earlybirds Playgroup at Hopping Hill

Early Birds provides a balanced play curriculum for children aged 2 and over.

Based at Hopping Hill Primary School

We can play together in the play house.

We can practise making models with the building blocks.

Looking after the dollies is fun to do. We can have tea parties for them.

It is fun to share a book on the reading sofa.

There are 3 grown ups to help us to make jigsaws, match colours and recognise shapes.

Sometimes after a busy play session a time to relax is what we need.

- Choose between 1 or up to 5 sessions a week
- New, larger room and covered play area coming in September
- Early Birds is run by a non-profit making, voluntary committee to meet the needs of our parents
- Ofsted registered
- Successful Ofsted in 2007
- Early Birds provides a balanced play curriculum for children aged 2 years and over
- All activities are planned using the Foundation Stage and Birth To Three framework
- Careful induction to ensure children settle and are happy
- Snack time
- Story and song time and musical instruments sessions
- Planned activities outside- use of under cover area
- Open days for parents and fun days for children
- Safe, stimulating environment
- Qualified staff with excellent staff to child ratios
- Parents welcome always, either to help during the session or on the voluntary committee
