

NEWS LETTER

21 January 2009

Bags4School

We had an amazing amount of bags returned to school. We made over £250 profit. So a very big thank you to Hannah Tarlton for organising it and loading the collection truck with all those bags. Also thank you to everyone for donating. Same time this year??

Christmas Fair

It was brilliant. We took on-board all your comments from 07 and hopefully fixed most of them. Space has always been our biggest problem, but I think using more of the school and giving Father Christmas his own grotto really worked. And as an added bonus we raised over £500.00. Thank you to everyone who helped before, during and after.

Next Event –

Sports Stars / Pop Stars Disco.

Thursday 12th February.

Starting at 6pm with Nursery upto Y3 with Parental supervision. Your disco will end at 7.15pm

Y4 – Y6. Your disco begins at 7.30 with NO Parental supervision but you must be collected from school by Parent or Guardian at 9pm.

Tickets are £1.00 each and available from the school office from Monday 2nd February.

Then something very EGG-CITING

All I will say is, "its new", "its free", "everyone can do it", " there are loads of prizes" and "its eggy"

More details to follow.

In the next News Letter we will be releasing plans for where some of the funds are going to go. We are working with the school council and have listened to your suggestions.

I would also like to say thankyou to Bob, our Caretaker. He is always willing to help, stay behind and clear up and never grumbles.

It just leaves me to say, thankyou for your support and help to raise funds for an exciting project due to start this year.
