

Eco-School News

December 2008

It has been another busy term for the Eco-School Team. We have been thinking about how to use the 3R's (Recycle, Reduce and Reuse) during the festive period.

Years 1, 3 and 5 have learnt how to reuse old materials (Cereal Boxes, old clothes, CD's etc) to make Christmas decorations. Year 1 made some lovely tree decorations from CD's and Years 3 and 5 made Christmas wreaths out of cereal boxes and old material.

Years 3 and 4 had fun yesterday on the Recycling Bus learning how to be green and care for our environment.

The winners of the Guy Fawkes competition in October were Red House Years 1 and 2. Congratulations to you all and thank you for making the day such a good one.

We would like to wish you a very Merry Christmas and Best Wishes for 2009.
