

Year 4 Newsletter

The Curriculum

Welcome Back!

Welcome back to all children and families. We hope you had a fantastic Christmas holiday and are looking forward to the challenges and rewards 2009 will bring. Can we also thank all of you for your support last half term, cards, gifts and kind words at Christmas.

We look forward to working with both you and your child and hope that you will pop in with any concerns during the school year.

P.E

Due to the ever changing and unpredictable English weather children need indoor and outdoor P.E kits in school daily.

Mr Coates class will start swimming on a Thursday in February and will require swimming costumes towels and the dreaded swimming hat. Dates and times will follow. Year 4 P will take over in May

This term our learning 'connector' is called 'A Vision for the Future' Last terms work on World War II was a great success with children sharing an amazing variety of opportunities both in and out of school with a wide range of visitors. Thank you to all the people who came in to school and we hope to see even more this term.

The focus for this term is on how where we live caters for our needs today but how this will change over time in the future. We will be looking at amenities available to us, types of homes and buildings and

looking at how this may differ to our needs in the future. We will be looking closely at how towns and villages are planned and the impact this has on society and the environment. We are hoping to visit the development at Upton Grange to see the environmentally friendly homes and how the development is set out. We will also be closely monitoring the development at the Timken site. If anyone has any contacts or links with town planners who could support us we would be extremely grateful.

Are you a builder, town planner or estate agent? Year 4 need you!!!!

Grendon Residential

Many thanks for all Grendon payments to date, we appreciate how hard this must have been to maintain in the run up to Christmas. There are still some places available if your child has decided they would like to join us and we will hold a meeting nearer the time to give you details of what to pack, times and other arrangements.

ANY CONCERNS PLEASE CALL IN AND WE CAN DISCUSS THEM
