

# Year 4 Summer Project

This is our final project of the year and this time we are having a focus on improving our writing looking at some of the work we have covered this year.

Our connector is 'Cultures' focusing on India. We would like you to complete 3 written tasks over the next 6 weeks which means 1 task every two weeks.

## Newspaper

Create a front page of a newspaper based on an event in another part of the world.

Consider:

- Audience
- Tense
- Layout
- Key Features
- Presentation
- Topics in the press

## Cultures

## Persuasive Writing

Create a leaflet or brochure to persuade people to visit India.

Consider:

- Layout
- Vocabulary
- Key features
- Design
- Sentence structure

## Poetry

Perform and write a poem that reflects people's feelings and emotions from different places. (Your poem does not have to rhyme)

Consider:

- Structure
- Presentation
- Rhythm
- Language features

Projects can be presented in any way that suits you and your style of learning but should be written or typed pieces of work. The final copy should reflect 6 weeks work.

Good luck and enjoy
